Fluke 319 Clamp Meters / Tang Ampere

Item **32FIK13044** Mfr. Model **FLUKE-319/ETA**

Product Details

Brand: **FLUKE**	Width (in): **2.96**
Part number: **4232067**	Height (in): **9.22**
Weight (lb): **0.85**	Country of Origin: **United States**
Length (in): **1.38**	

Product Description

Key features
The two models are economic, compact and offer a range of special features:

Unique 40A high-precision low current measurement--0.01A high-resolution, 1.6% high-precision measurement
The clamps are slim, lightweight, and portable, making them ideal for use in small, confined spaces
The large backlight display facilitates readings in dark environments
Starting current (inrush) functionality (319) allows measurement of the starting current of electrical and lighting equipment, for example. (319)
Current frequency measurement
Precision down to 0.01A and 0.1V
1000A/600A AC/DC current measurement (319/317)
600V AC/DC voltage measurement
4000? resistance measurement
Continuity beeper
Auto off function enhances battery life, meaning the instrument can work when you need it screen store ‘hold’ function for capturing a measurement result on the screen
One year warranty
