Fluke 1587 FC Insulation Multimeter

Item **32FIK10801** Mfr. Model **FLUKE-1587**

Product Details

Brand: **FLUKE**	AC bandwidth: **5 kHz**
Frequency: **100 kHz**	Basic dc accuracy: **0.09 %**
Resistance: **50 MΩ**	True-RMS readings: **AC**
Current AC/DC: **400 mA**	Part number: **2157271**
Voltage AC/DC: **1000 V**	Country of Origin: **United States**

Product Description

Safety first. Connect the insulation tester then keep yourself out of harm's way by monitoring your test measurements remotely. Prove your job is done right by quickly seeing and sharing insulation resistance test results wirelessly with your smartphone. Quickly find problems by saving and comparing measurements over time on a wireless device.
