

FLUKE FLK-TI480-PRO 9HZ, THERMAL IMAGER

Item **32FIK13075** Mfr. Model **FLK-TI480-PRO 9HZ**

Product Details

Brand: FLUKE	Width (in): 4.80
Part number: 4947332	Height (in): 10.90
Weight (lb): 2.30	Country of Origin: US
Length (in): 6.50	

Product Description

Key features

Increased sensitivity to visualize temperature differences.

More easily visualize and diagnose problems with onscreen images, multiple rectangular markers, and 9 color palettes.

More intuitive visual interface with an enhanced touchscreen interface that has been tested by actual users.

Greater flexibility to visualize targets with interchangeable tiny-to-large smart lenses—no calibration required; 2x and 4x telephoto, wide-angle, and macro lens compatibility.

Capture clear, accurate images focused across the entire field of view with MultiSharp™.

Instantly focus on your desired target. LaserSharp® Auto Focus uses a built-in laser distance meter to calculate and display the distance to the target.

Get 4x pixel data with SuperResolution, which captures multiple images and combines them to create a 1280 x 960 image.

Save time—wirelessly sync images directly from your camera to the Fluke Connect® system and add them to asset records or work orders.

Reduce the need to take notes in the field with IR-PhotoNotes™ and voice annotations.
