FLUKE INSULATION MULTIMETER

Item **32FIK10802** Mfr. Model **FLUKE-1587 T**

Product Details

Brand: **FLUKE**

Weight (lb): **5.95**

Part number: **2517605**

Product Description

Specially designed for the telecom industry, the insulation multimeter is reliable and easy to use when working on motors, generators, cables, or switchgear. With a large backlight display and an auto-discharge of capacitive voltage, this meter provides maximum versatility for both troubleshooting and preventative maintenance.
