

KARCHER Steam Cleaner SG 4/4

Item **20JI04823** Mfr. Model **1.092-104.0**

Product Details

Brand: KARCHER	Length (in): 18.7
Part number: 1.092-104.0	Width (in): 12.6
Weight (lb): 24.69	Height (in): 10.83

Product Description

The SG 4/4 is a compact and robust steam cleaner that delivers excellent cleaning performance and certified disinfection¹⁾ thanks to its 4 bar steam pressure. The continuously variable steam flow control and the VapoHydro function for stepless adjustment of steam saturation allow the device to be perfectly adapted to each cleaning task. The fast-heating 2-tank system can be kept constantly filled, allowing long periods of uninterrupted work. The device features a built-in temperature display, operates entirely without chemical additives and is suitable for a wide range of applications. The comprehensive equipment package includes, amongst other things, two floor nozzles (for abrasive and hygienic cleaning), an integrated accessory compartment, an integrated cable hook and a pipe holder for space-saving storage.
