Product Description

Whether cleaning classrooms, offices, stairwells, warehouses or public transport from buses right through to aeroplanes, there are countless situations where a light, compact vacuum cleaner is called for. The new BVL 5/1 battery-powered backpack vacuum from Kärcher combines extremely low weight, high suction power and long battery runtime and is part of Kärcher Battery Power+, our 36 V battery platform. With the vacuum cleaner carried comfortably on your back, dragging a cumbersome vacuum cleaner behind you and searching for power sockets become things of the past.
