### Product Description

Be it in the boot of a car or up on a shelf; thanks to its compact dimensions, the K 4 Compact pressure washer fits anywhere without difficulty. The device is also incredibly practical when in use: the flexible K 4 Compact can be used both horizontally and vertically, is easy to transport and quick to stow away, and provides the full power of a pressure washer. In addition, the height-adjustable telescopic handle ensures a convenient pulling height. Further equipment details: Two carrying handles, Quick Connect trigger gun, 6 m high-pressure hose, Vario Power spray lance (VPS), dirt blaster and water filter. The high-pressure hose and the cord can be practically stored on the front cover. The K 4 Compact, with its water-cooled motor and an area performance of 30 m<sup>2</sup>/h, is ideally suited to the occasional cleaning of moderate dirt (small cars, garden fences, bicycles, etc.).
