

I17XX-FLEX6000/4PK, FLUKE-17XX Iflexi 6000A 36 in, 4 Pack

Item **32FIK10970** Mfr. Model **I17XX-FLEX6000/4PK**

Product Details

Brand: **FLUKE**

Country of Origin: **USA**

Part number: **4637430**

Product Description

This 36-inch iFlex flexible current probe for the Fluke 17XX extends the measurement range of the Fluke 17XX Energy or Power Logger up to 6000 A AC while providing excellent measurement flexibility. The iFlex probe connects directly to the energy logger and displays current measurements without error-prone scaling factors. The 1.8 m (6 ft) cable allows separation between the measurement location and the energy logger, making the display easier to view. Fluke 17XX iFlex cables are available in 12-inch, 24-inch, and 36-inch models.
