Product Description

Key Features:

- The low-profile 90-degree sensor body allows the sensor to reach tight spaces
- The durable coiled cable minimizes hanging slack and can be extended up to 7 ft when required
- The strong U-shaped magnetic mount provides a secure connection to flat or curved measurement surfaces
- The durable, sealed cable connector with strain relief reduces cable wear
- The removable sensor magnet allows direct mounting to a sensor mounting pad or a threaded hole on the equipment
- Connects directly to the SMB connector on the Fluke 805 Vibration Meter, located at the base of the meter
