

DR SHRINK Heat Activated Shrink Film: 7 Mil Thick

Item **17ICX66297** Mfr. Model **DS-177350W**

Product Details

Brand: DR SHRINK	Weight (lb): 210
Part number: DS-177350W	Length (in): 5,950 square feet

Product Description

17 ft. wide by 350 ft. long roll of white shrink wrap. 7-mil LDPE and white coloring make this a perfect roll for areas where boat, patio, or RV shrink wrap covers will be stored outdoors. With 350 linear feet (+/- 4%) of material each roll will last for multiple projects.
