

AMERICAN IRON WORKS Hose Choker CC-1/4 - Hose Id 1 Inch

Item **23WLC16711** Mfr. Model **CC-1/4**

Product Details

Brand: **AMERICAN IRON WORKS**

Part number: **CC-1/4**

Product Description

The Cable Hose Choker has a specially designed nylon spool which allows the cable to tighten down on the hose during a failure. Unlike the Whip Check or the steel Hobble Clamp, the Cable Choker will continue tightening down sometimes even choking off the air for a more controlled release.
